The Audi A5 and S5 Coupé

Pricing and Specification Guide

Valid from October 2014

Personalising your Audi A5 Coupé

This guide has been designed to help you tailor and price your Audi A5 Coupé quickly and logically. At the back, you will find information on CO_2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi A5 Coupé online at audi.co.uk

Get more from this brochure with the free Audi Vision app.

Audi Vision brings our brochures to life through Augmented Reality. It works by recognising images on a page through your device's camera. Suitable for phones or tablets, download it for free from the App Store or Google Play. Once downloaded, simply open the app and scan the cover of your guide. Then look out for any page with the Audi Vision logo, you can then hold your device over the page and watch as you get exclusive access to extra images, information and video content.

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

The Audi A5 Coupé – a combination of style and power

Exceptional design is something you'll find everywhere in the Audi A5 Coupé – from the beautiful lines of the exterior to the highly efficient fuel-injection technology within. An aerodynamic shape, muscular wheel arches and low-profile alloy wheels give this car a very special blend of style and performance, which is only emphasised by the choice of dynamic engines and transmissions available.

IN A 5510
S5

A5 Coupé interior story

We've introduced a number of finishing touches to the Audi A5 Coupé interior to make your driving experience both comfortable and unique. You'll find an impressive attention to detail in everything from the Driver's Information System with energy-saving tips to the luxurious leather seating, which means that every journey you make will be a personal one.

Engines

Petrol

TFSI® direct-injection technology is a unique Audi innovation that includes supercharging, which combines FSI® technology with forced induction – giving cars an extra injection of power and torque. It also delivers enhanced fuel efficiency as precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to 'breathe' more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions.

Diesel

We introduced TDI® to the roads in 1989, and since then, we've continuously refined it, including developing common-rail technology. Under this system, a series of piezo injectors uses electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions.

Image for illustrative purposes only.

Transmissions

multitronic®

Translating a driver's preferences and intentions into road performance, the multitronic® transmission system entertains no compromises – whether in terms of dynamism, convenience or economy. multitronic® automatic transmission is available on models without quattro® permanent all-wheel-drive.
A continuously variable transmission, multitronic® can transmit up to 400 Nm of torque and permits an exceptionally wide range of gear ratios. The result is smooth, powerful acceleration and a high level of driving comfort. And thanks to its lightweight design and a number of advanced electronic control systems that monitor gradient, road conditions and the way the driver is using the accelerator pedal, multitronic® also plays an instrumental role in reducing fuel consumption.

S tronic®

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.

Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO_2 and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi A5 Coupé.

Automatic Start-Stop function

In heavy traffic, your car still uses fuel and releases CO_2, even when it's stationary. The automatic Start-Stop function counteracts this problem by switching off the engine when your car comes to a standstill. As soon as you touch the clutch, the car restarts. In conjunction with TDI® and TFSI®, it helps save up to 0.4 litres of fuel every 100km.

TDI® and TFSI®

Inside the engine of the Audi A5 Coupé you'll find the same advanced fuel-injection technology that's driven us to win after win at Le Mans. With TDI® and TFSI®, fuel is injected directly into the engine's chambers so that combustion is timed right down to the millisecond. As a result, waste is minimised and you get the most from every last drop of fuel.

Image for illustrative purposes only.

Audi ultra

Audi ultra brings together specialist Audi knowledge and the latest innovations to create our most optimised models yet. As a result the Audi A5 ultra delivers the lowest CO_2 emissions and fuel consumption in the A5 Coupé range.

Recuperation

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system like the one in the Audi A5 Coupé, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

quattro®

It's the technology that has given Audi the edge on the rally circuit ever since it was first introduced over 30 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the Audi A5 Coupé so thrilling to drive. It's called quattro® permanent all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that's both dynamic and safe.

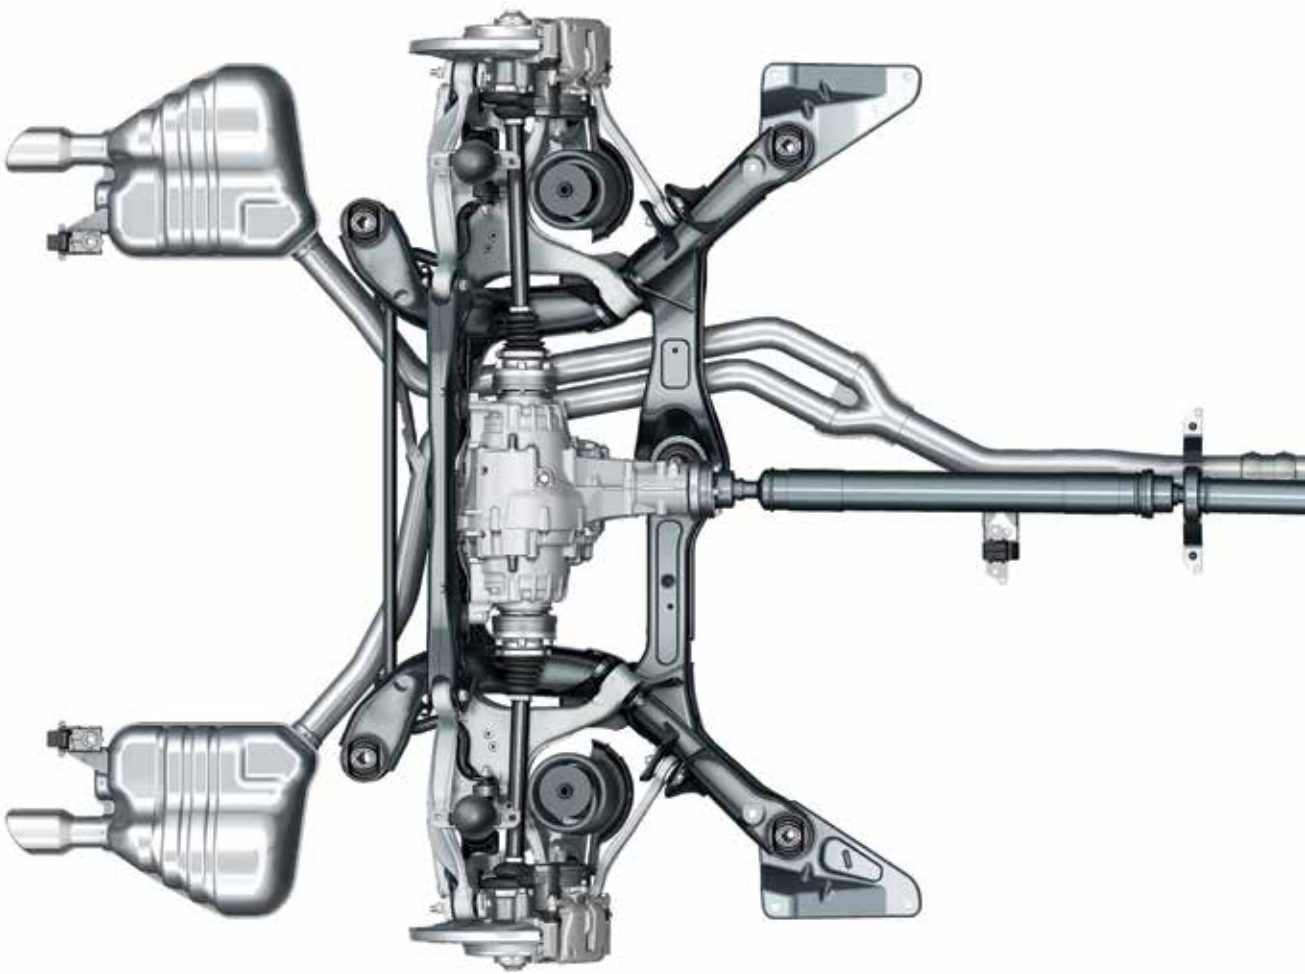

Image for illustrative purposes only.

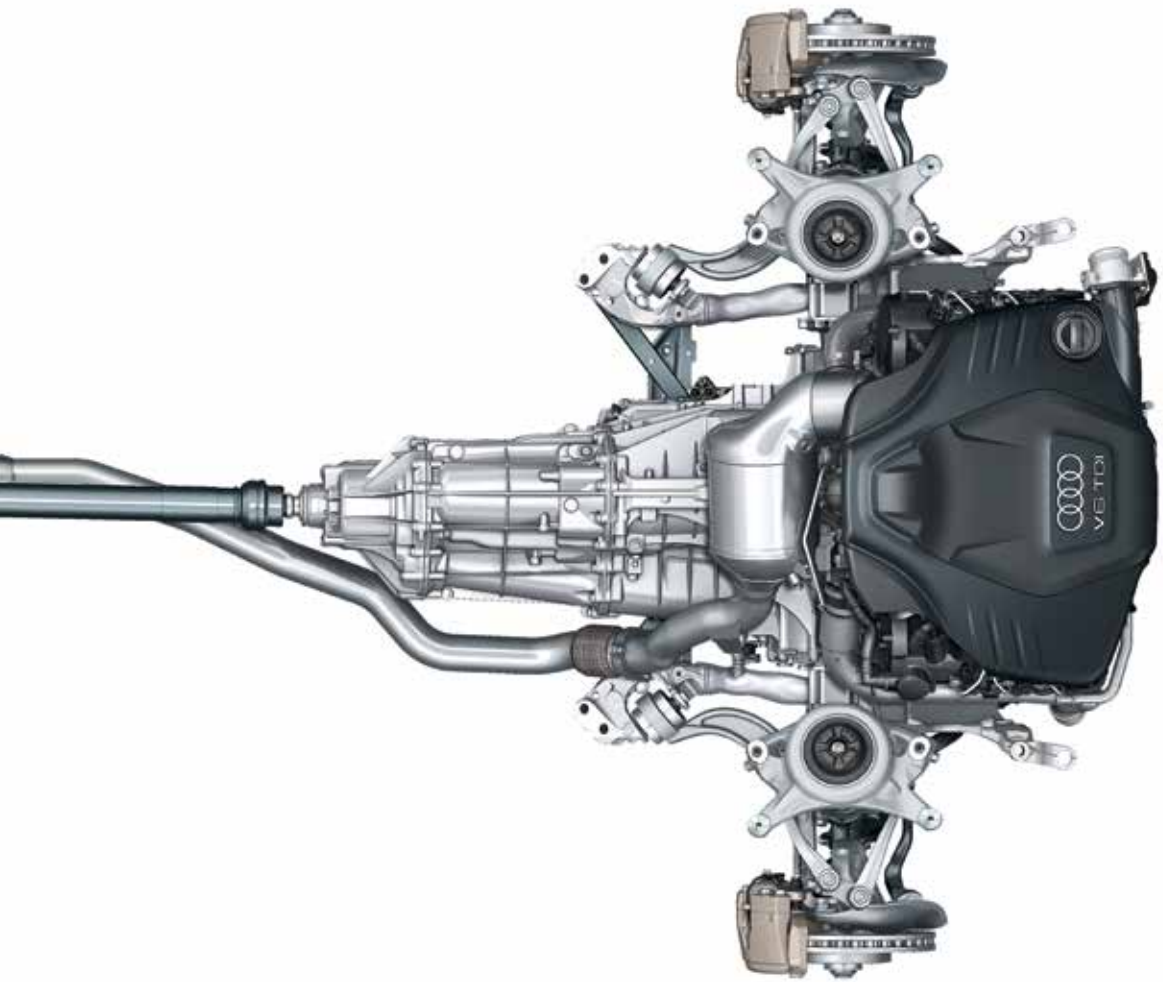

In the Audi A5 Coupé, asymmetric dynamic torque distribution continuously distributes drive power between the front and rear axles, depending on weather conditions, road surface and gradient. This leads to greater flexibility and an enhanced, sportier drive.

quattro® with Sports differential

The optional electronically regulated Sports differential distributes variable amounts of drive force to each rear wheel, ensuring outstanding acceleration performance in corners and stabilising the vehicle's response to load change. It also brings better direct steering characteristics and, as it requires less steering effort, more agile handling.

D
IN A 5102

SE model equipment

All A5 Coupé models have the following items of standard equipment

Engine

Automatic Start-Stop function for greater fuel and CO_2 efficiency

Recuperation for optimal energy utilisation

Misfuelling inhibition for diesel engines

Diesel particulate filter (DPF) for diesel engines

Wheels, tyres and suspension

17" x 7.5J '5-arm' design alloy wheels with 225/50 R17 tyres. TDI ultra model features low rolling resistance tyres

Space-saver spare wheel

Audio and communication

Audi Concert radio which includes:

- Single CD drive and SDHC memory card reader which are both MP3, WMA and AAC compatible
- 6.5" colour centre display with MMI operating logic
- AUX-IN connection
- TP memo – automatically saves traffic news when driving

Audi sound system speaker package with 10 speakers including subwoofer (180 watts)

DAB digital radio reception – integrated into MMI, receives digitally transmitted radio stations in addition to the range of analogue stations. Displays music track, artist and radio program. Capable of 'DAB slideshow' where transmitted. Reception dependent on local digital network. Automatic switch from DAB to FM reception if the network signal is not strong enough

Mobile phone preparation – Bluetooth interface

Safety and security

Audi parking system plus - aids parking by acoustically and graphically indicating distances to obstacles in front of and behind your A5 Coupé

Electronic Stability Programme (ESP) including electronic limited-slip differential on front wheel-drive models

First-aid kit

Front and rear fog lights

Full size airbags for driver and passenger

Front side airbags

Head-level side airbags front and rear

Halogen headlights with electric headlight range control and daytime-running lights

ISOFIX child seat mounting – for front passenger (with airbag deactivation) and outer rear seats. Including Top Tether attachment point for the outer rear seats

Light and rain sensor – automatically switches the dipped beam headlights and windscreen wipers on/off depending on the light and rain conditions. Also includes coming-home/leaving-home function which delays the deactivation of the front and rear lights after locking and automatically activates the lights when unlocking

Rest recommendation system – analyses driving behaviour based on steering, pedals and gear lever movements. If the system detects a change in driving patterns it can, via audio and visual effects, notify the driver of the possible need to take a rest

Thatcham category 1 alarm and immobiliser

Toolkit and car jack

Tyre pressure loss indicator – visual and acoustic warning if the pressure drops in one or more tyres

Warning triangle

17" x 7.5J '5-arm' design alloy wheels

Colour Driver's Information System (DIS) with rest recommendation

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Interior equipment

3-spoke leather multi-function steering wheel (paddle shift for automatic models)

Auto-dimming rear-view mirror

Cruise control

Cup holder in centre console

Driver's Information System (DIS) in colour with energy-saving tips and rest recommendations. Shows the radio station or track title, telephone control, menu and other display information from the infotainment system such as navigation (if fitted). Also includes an on-board trip computer with short and long-term trip memory, outside temperature display, digital speedometer and door or boot-open warning

Deluxe 3-zone climate control with separate air distribution and digital display for driver and front passenger. System includes air-conditioning controls in the rear centre console for rear passenger compartment

Electric front windows

Electromechanical parking brake includes parking brake function when stationary, drive off assistance with automatic release when pulling away and emergency braking assist, acting on all 4 wheels while driving

Electromechanical power steering

Front and rear floor mats

Front centre armrest includes two 12V power sockets

Intelligent key

Interior chrome package

Reflex finish inlays (Steel grey for grey or black interiors)

Steering column adjustment for rake and reach

Exterior equipment

Auto-opening boot lid

Exterior mirrors – electrically operated and heated

Chrome rolled exhaust pipes – 4-cylinder models have two exhaust pipes on the left-hand side, 6-cylinder models have one exhaust pipe on either side

Exterior aluminium package

Single frame radiator grille

Seats

Heated front seats – with 3-stage heating control

Milano leather upholstery

Split-folding rear seat

Image shows the A5 Coupé SE model with optional Floret silver, metallic paint (L5), Technology package (WB6) and adaptive headlights (PX1, 8Q5)

S line model equipment

In addition to SE model equipment

Basic RRP
£2,158.33

Total RRP inc VAT
£2,590.00

Wheels, tyres and suspension

18" x 8.5J '5-double-spoke' design alloy wheels with 245/40 R18 tyres

Sports suspension with stiffer spring settings and shock absorbers, 20mm lower than standard suspension (S line Sports suspension available at no charge)

Audio and communication

MMI Navigation system plus. Hard disk navigation with topographical map display, places of interest and town models in 3D, with high-resolution 7" colour TFT display. The system offers three alternative routes, with the ability to scroll along the selected route and manoeuvre within the map. Uses 7-digit postcode recognition. Includes split-screen mode for route information, dynamic route guidance (TMC), intersection zoom function, motorway exits and lane recommendations in Driver's Information System (DIS). Includes 2 SD card readers, single CD/DVD player, 40GB hard drive and Jukebox (20GB) for storing and managing music files in WMA and MP3 format. Includes European navigation data (where digitised).

Additional functionality is available when combined with optional Mobile telephone preparation – High with Audi connect (9ZW). For more details please see option 9ZW, featured in the options section of the guide

Interior equipment

3-spoke S line multi-function steering wheel (paddle shift for automatic models)

Black headlining

Matt-brushed aluminium inlays

Perforated leather gear knob

S line sill plates

Seats

Front Sports seats with electric lumbar support

Fine Nappa leather upholstery with S line embossing

Exterior equipment

Rear LED lights

S line exterior styling package includes:
- S line side skirts
- S line bumper
- S line rear diffuser
- S line badges on wings

Xenon Plus headlights with LED daytime-running lights

18" x 8.5J '5-double-spoke' design alloy wheels

3-spoke S line multi-function steering wheel

Xenon Plus headlights

Satellite Navigation system – HDD-based

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Image shows the A5 Coupé S line model with optional Scuba blue, metallic paint (S9)

Black Edition Plus model equipment

In addition to S line model equipment

Basic RRP
£1,250.00

Total RRP inc VAT
£1,500.00

Wheels, tyres and suspension

19" x 9J '10-Y-spoke' design gloss black alloy wheels with 255/35 R19 tyres

Audio and communication

Audi Music Interface, connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards and Apple iPhone

Bang & Olufsen sound system. 14 high-performance speakers and two amplifiers which create 505 watts of stunning surround sound, balanced to suit the specific acoustic properties of the car's interior

Interior equipment

3-spoke flat-bottom multi-function steering wheel (paddle shift for automatic models)

Piano finish black inlays

Stainless steel pedals (only available on automatic models)

Exterior equipment

Black styling package – includes radiator grille frame and radiator grille struts in high-gloss black, fog light surrounds in the side ventilation grille in high-gloss black, radiator grille in matt black, front side grilles in matt black, number plate holder in matt black, window capping strips and side-profile roof-trim strip in high-gloss black

Privacy glass – dark tinted from B-pillar backwards

Gloss black exterior mirror housings*

Enhanced rear spoiler on the luggage compartment lid

Dynamic front bumper with large air inlets and blade in high-gloss black

Side sill trims and diffuser frame in high-gloss black

19" x 9J '10-Y-spoke' design gloss black alloy wheels

Bang & Olufsen sound system

Piano finish black inlays

3-spoke flat-bottom multi-function steering wheel

*Please note that on Black Edition Plus models ordered in Mythos black, exterior mirror housings will also be in Mythos black.
RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

S5 Coupé quattro model equipment – in addition to SE model equipment

Wheels, tyres and suspension

19” x 8.5J ‘5-parallel-spoke’ design alloy wheels with 255/35 R19 tyres

‘S’ Sports suspension

Safety and security

‘S’ model enhanced braking system

Interior equipment

3-spoke ‘S’ Sports multi-function leather steering wheel. With paddle shift and contrasting stitching

Aluminium scuff plates with S5 logo

Black headlining

Interior lighting package. Includes front and rear footwell lighting, active door reflectors, illuminated vanity mirrors, rear reading lights, entrance lights and illuminated glove compartment, vents and internal door controls

Inlays in matt-brushed aluminium

‘S’ instrument dials

Seats

Fine Nappa leather upholstery

Leather door armrests

S5 Coupé Super Sports seats. With electric adjustment and lumbar support

Exterior equipment

Aluminium-effect door mirror housings

Exhaust pipes. Twin on left and right-hand side in chrome rolled finish

‘S’ radiator grille with S5 logo

Painted brake calipers with S5 logo

‘S’ body styling

Xenon headlights. With LED daytime-running lights and LED rear lamps

19” x 8.5J ‘5-parallel-spoke’ design alloy wheels

'S' instrument dials

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Audi exclusive

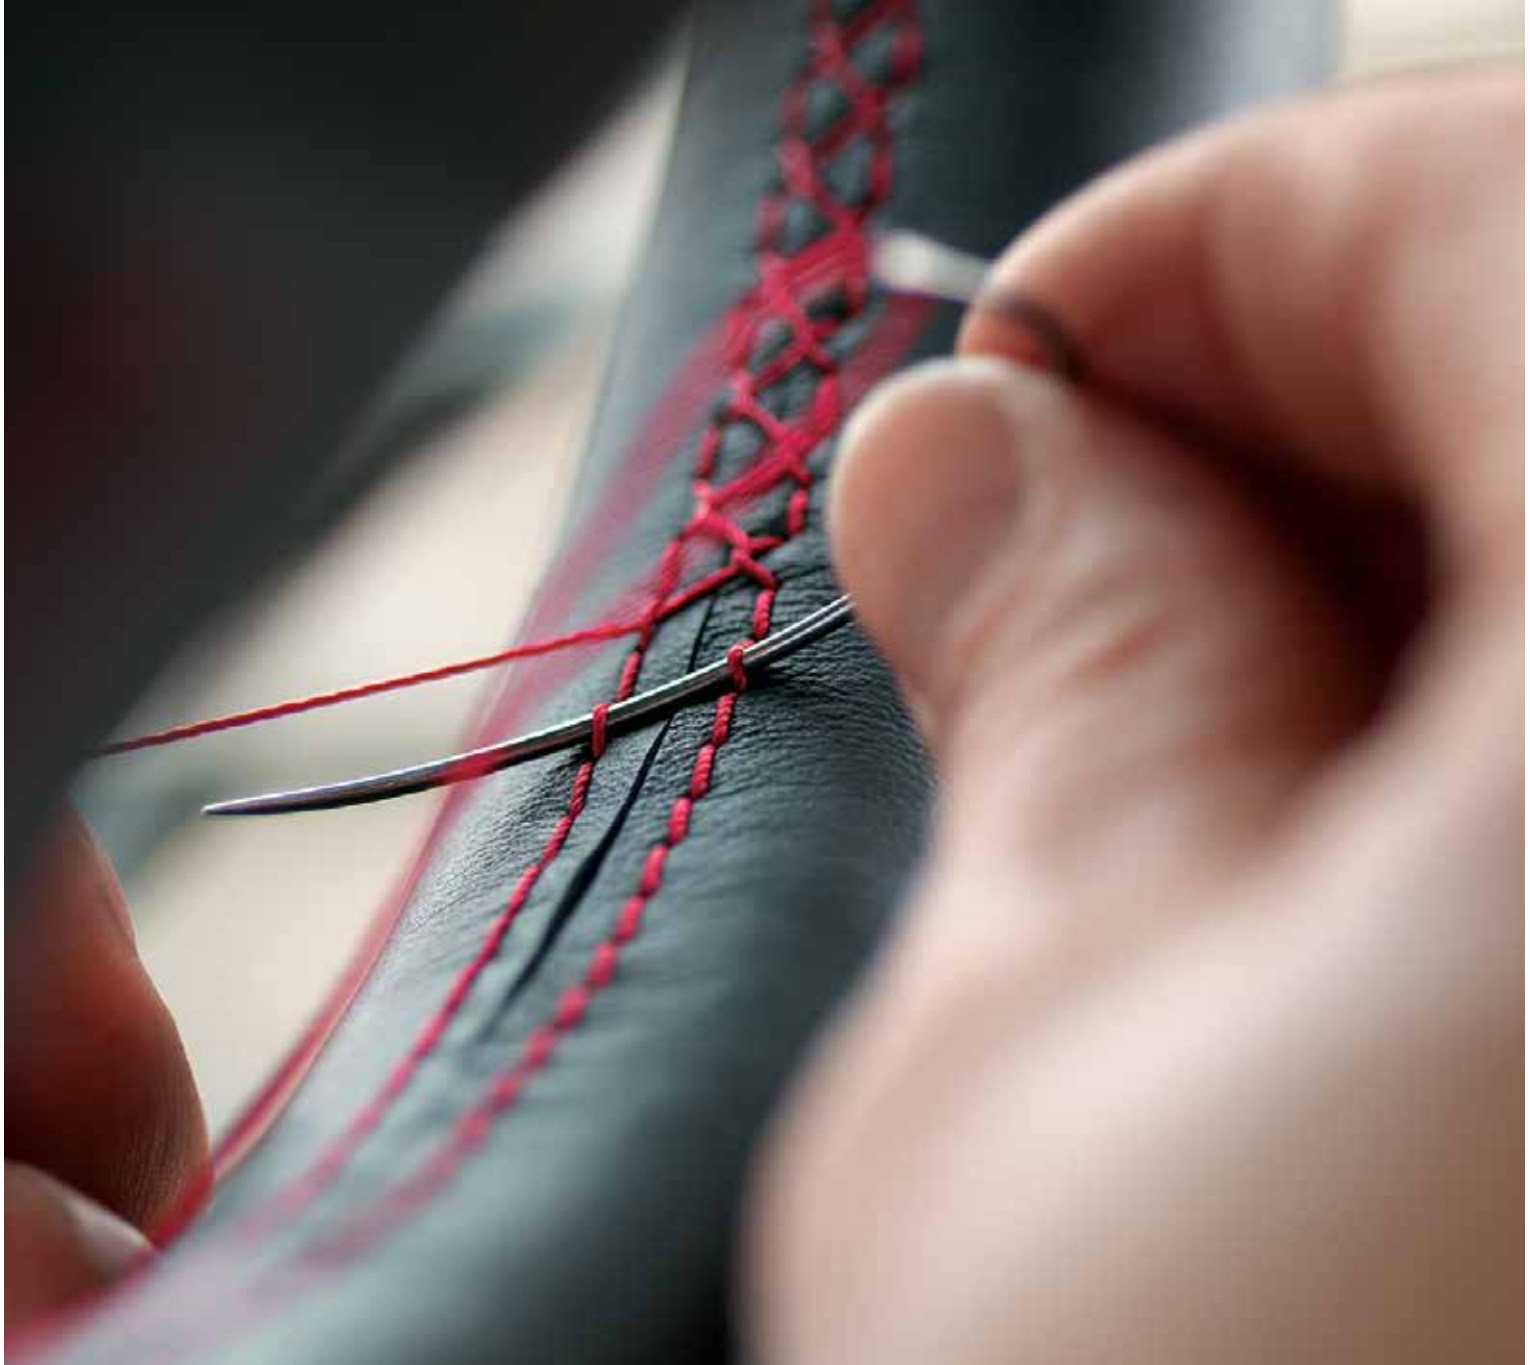
Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your new A5 Coupé with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

Audi exclusive line

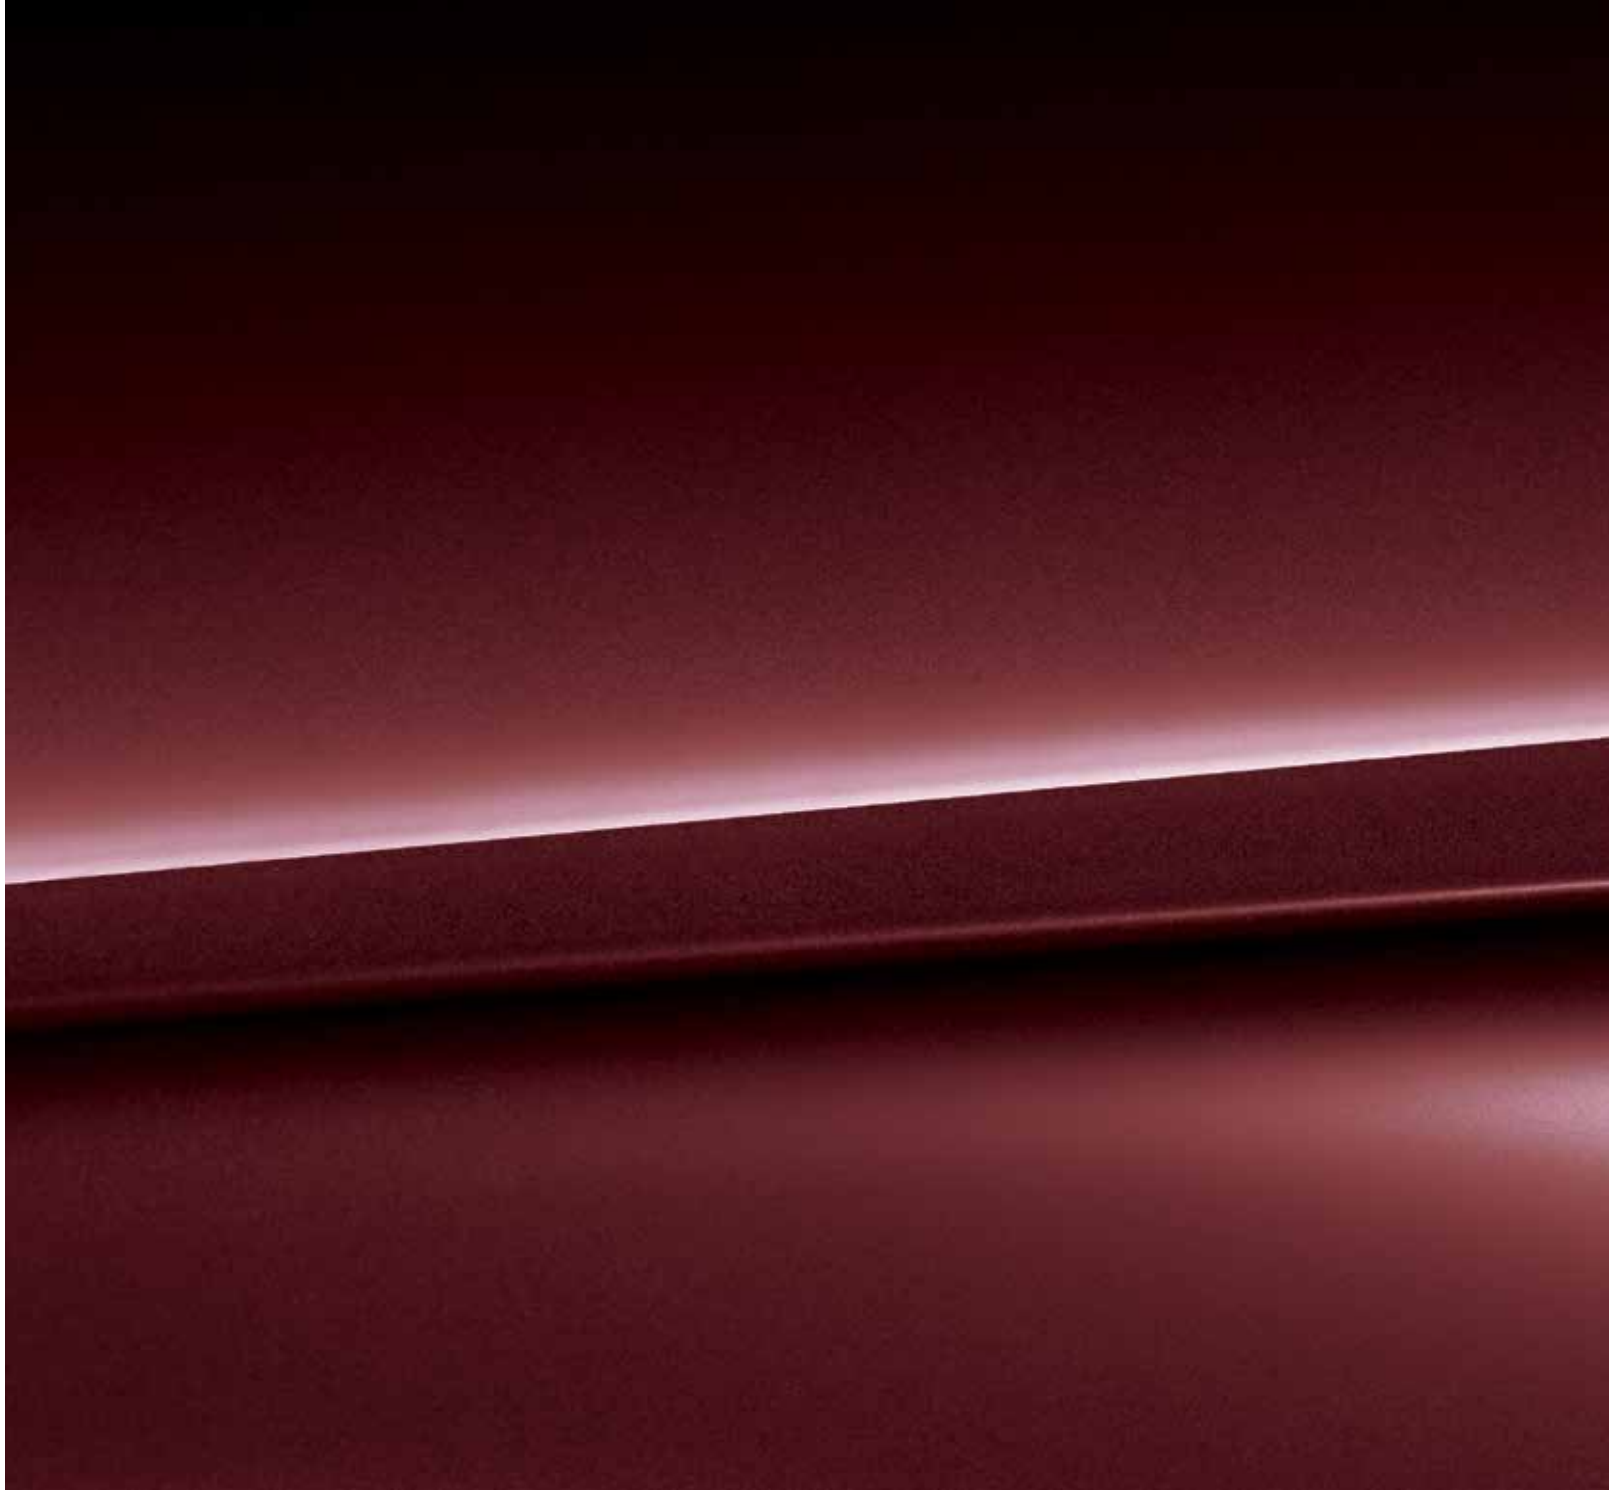
There are a number of ways to customise your car's interior with the Audi exclusive range. And if you'd like us to help you choose, we've put the most popular elements of the range together into one harmonious package – the Audi exclusive line.

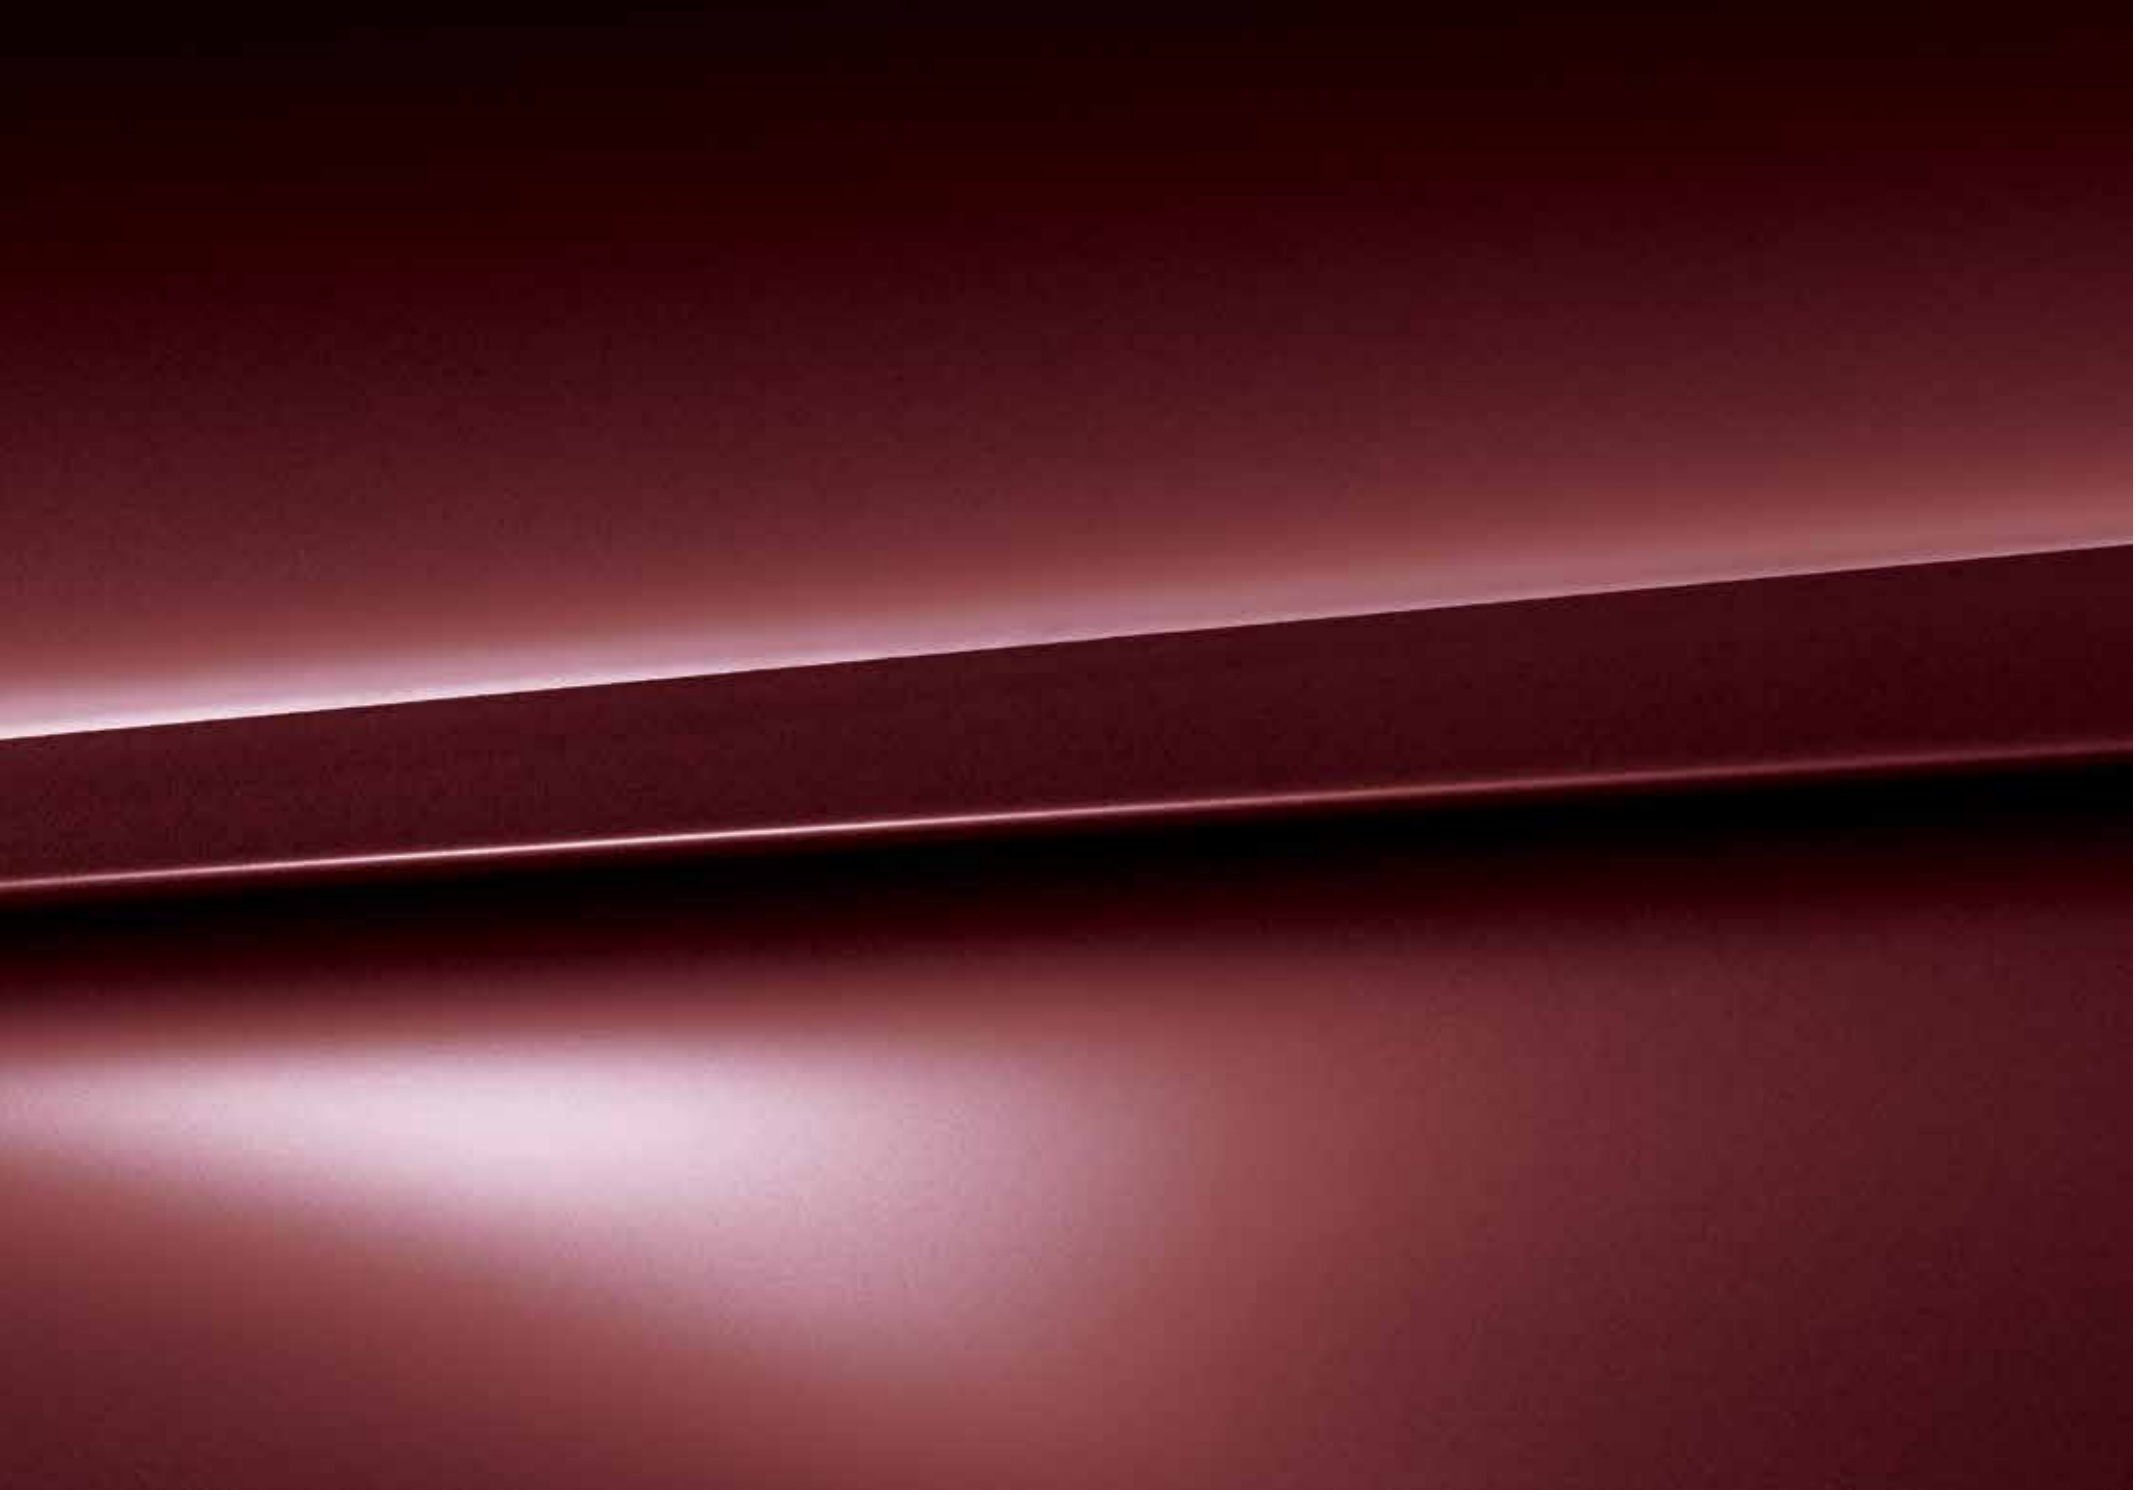
With experience over more than 20 years, our expert designers understand which elements work well together. From high-quality Fine Nappa leather seats to Audi exclusive door sill trims, every detail has been chosen to truly enhance your drive.



Paint

We believe that every part of your car should have a personal touch. Which is why you can choose from a wide range of paint colours and finishes, from standard shades to metallic and pearl effects. We can even mix a customised colour for you to create the perfect fit.



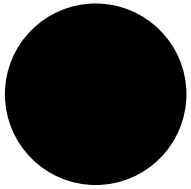


Paint

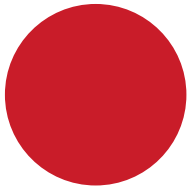
You can select one of the standard colours shown opposite or, for a different look, choose from a range of optional finishes.

Standard colours

Ibis white – **T9**

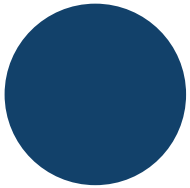


Brilliant black – **A2†**

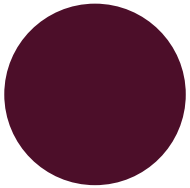


Brilliant red – **C8*†**

Optional colours

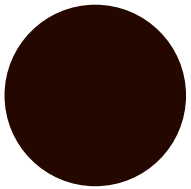


Scuba blue, metallic – **S9*†**



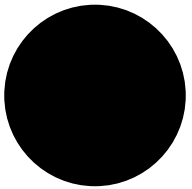
Shiraz red, metallic – **3A*†**

Utopia blue, metallic – **D2†**

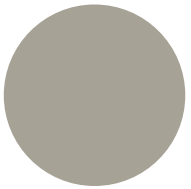


Teak brown, metallic – **4U*†**

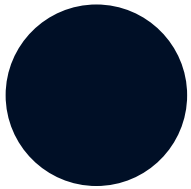
Glacier white, metallic – **2Y†**



Mythos black, metallic – **0E**

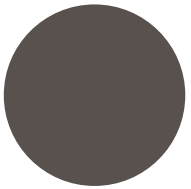


Cuvée silver, metallic – **0D*†**

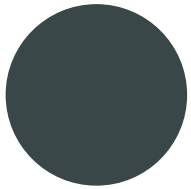


Moonlight blue, metallic – **W1†**

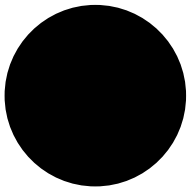
Floret silver, metallic – **L5**



Dakota grey, metallic – **Y7*†**



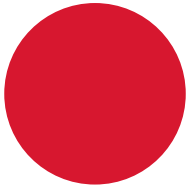
Monsoon grey, metallic – **0C†**



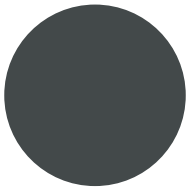
Lava grey, pearl effect –**1R*†**

Tornado grey, metallic – **Q2†**

S line colours



Misano red, pearl effect – **N9**



Daytona grey, pearl effect – **6Y**

Upholstery

Audi exclusive

With Audi exclusive, you can specify your seats in Valcona leather or a leather/Alcantara combination, from an array of different colours shown to the right.

Select just an all-over shade for each seat or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you'll be extremely satisfied with the result.

Order Code		SE	S line	Black Edition Plus	S5	S5 Black Edition	Basic RRP	Total RRP inc VAT
PYB S3G	**Audi exclusive leather package 1 in Valcona leather.** Includes leather-covered seat upholstery, door trim inserts and front centre armrest. Backrest covers and seat add-on parts come in the interior trim colour*. Only in combination with Sports seats (PS1)	•	•	•	•	•	£2,458.33	£2,950.00

Upholstery

Audi exclusive line

Audi exclusive is ultimately about choice – but if you'd rather leave some of the decisions in the capable hands of our designers, the expert team at quattro GmbH have compiled the Audi exclusive line, combining some of the most popular elements of the exclusive range in one, beautifully coordinated package.

Order Code		SE	S line	Black Edition Plus	S5	S5 Black Edition	Basic RRP	Total RRP inc VAT
WQK	**Audi exclusive line**	●	–	–	–	–	£2,250.00	£2,700.00
PQL	**Audi exclusive line***	–	●	●	–	–	£708.33	£850.00

Cloudy grey – **UH**

Cognac brown – **QX**

Alabaster white – **UA**

This package includes:

- Sports seats in two-tone Fine Nappa leather upholstery; black seat-side sections with coloured stitching and seat-centre sections in Cloudy grey, Cognac brown or Alabaster white**
- Door panels in Fine Nappa leather to match seat-centre section
- Black dashboard and carpets
- Black cloth headlining
- Audi exclusive door sill trims on SE models
- For SE and S line, Matt-brushed aluminium inlays. For Black Edition, Piano finish black inlays
- Floor mats in black with coloured piping (to match seat-centre section)
- 3-spoke leather steering wheel (S tronic with gear-shift paddles)†
- Steering wheel rim and gear-lever gaiter with coloured stitching in matching colour to seat-centre section

Options are subject to availability and may extend delivery.

– = Not available
● = Available
S = Standard

*When ordered in combination with S line or Black Edition, Audi exclusive removes all S line interior badging.

**When ordered in combination with S line, the S line embossing on the seats is removed.

†Please note that when Audi exclusive line (PQL) is ordered in combination with Black Edition, the standard 3-spoke flat-bottomed leather steering wheel is replaced with a 3-spoke leather steering wheel (1XW/1XX).

RRP – Recommended Retail Price.

VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Inlays

Attention to detail can make a big impact. From contemporary black Piano finish to a brown walnut, our selection of inlays offers the perfect finishing touch to your car’s interior.

Inlays

Inlays are the all-important finishing touch that add flair and interest to your car's interior.

Options

Every driver has different needs, which is why we have created some useful options to further enhance your car. For extra comfort, support, style or function, you can choose from a variety of additional features, tailoring everything from your infotainment and audio equipment to your wheels and lighting.

Wheels, tyres and suspension

Choose a set of specially selected alloy wheels to subtly enhance the way your car looks and drives. And you can also specify Audi drive select, which allows you to change suspension and steering settings according to your driving style.

PCB	**Assistance package** Contains Adaptive cruise control with braking guard and Audi active lane assist **Adaptive cruise control with braking guard.** Intelligent automatic speed and distance control system. Works at speeds from 19-155mph,* using radar sensors to measure and maintain required distance to vehicle ahead by braking and accelerating. Four programmes (distance 1 to distance 4) set via steering column controls of the cruise control system. Includes Audi braking guard – a system which triggers a visual and acoustic alarm when it detects the risk of a rear end collision with the vehicle in front. At speeds below 19mph the system can initiate partial braking or full deceleration if a potential impact is detected, or if it is not possible to completely prevent a collision, the system will focus on reducing the speed at which the vehicles collide **Audi active lane assist.** Helps the driver to stay in lane with gentle steering impulses for greater safety and convenience, particularly on motorways and country roads. The system informs the driver if the car is drifting out of its lane unintentionally. Only available in combination with the Technology package (WB6) or Satellite Navigation	•	•	•	•	•	£520.83	£625.00

PT5	**Mobile telephone preparation – Low with Bluetooth and voice control.** Provides hands-free connection via Bluetooth using mobile phone aerial. Alternatively, it can use a cradle with charging facility for optimal reception via external aerial. Located in front centre armrest. Cradle available at extra cost – please contact your Audi Centre for phone compatibility	•	•	•	–	–	£145.83	£175.00
9ZW	**Mobile telephone preparation – High with Audi connect.** Audi connect provides access to a number of innovative online services via an internal UMTS (3G) module. Audi connect online services include: navigation using Google Earth images and Google Street View, destination entry via Google Maps or myAudi, online point of interest search and information services such as weather forecasts and the latest world news. Audi connect also includes Audi traffic information online, which gives accurate real-time forecasts of the traffic situation along the chosen route. The traffic situation can be displayed on the navigation map or Google Earth image. Audi connect can also create a Wi-Fi hotspot in the car for convenient internet access using a mobile device (e.g. laptop or tablet). Many Audi connect features can be simply operated via MMI Navigation Plus, the multi-function steering wheel or the voice control system. Only in combination with Technology package (WB6) or Satellite Navigation **Important connectivity information:** An external data source is required to enable the Audi connect online services. One of the two following external data sources can be used[1]: 1. A mobile telephone with Bluetooth SIM Access Profile[2] 2. A separate SIM card which can be inserted in the included SIM card reader. When a separate SIM card is used, hands-free phone calls are possible using the SIM card or by connecting a different mobile telephone via Bluetooth Hands-Free Profile	•	•	•	•	•	£291.67	£350.00

Looking after your Audi

When you've chosen your ideal model, it's reassuring to know that it will remain in safe hands. That's why we've created products to protect your Audi, from extended warranties to Audi Complete – our comprehensive service and maintenance package. And there's also a range of Audi accessories and merchandise to choose from, enabling you to further enhance and safeguard your car.

Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your MOT.
It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts. You can also opt for our Service only or Service and Maintenance packages if you prefer.

*Retail customers only. Pricing correct at time of print and based on a 3 years/30,000 miles agreement. All pricing is a 'starting from' price for the Audi A5 Coupé model range and is therefore subject to change and mileage/model dependent. If you drive under 10,000 miles per annum your vehicle will be placed on a fixed inspection service schedule. If your mileage tends to exceed 10,000 miles per annum it will be placed on the Flexible Service schedule.

Warranty

Options are subject to availability and may extend delivery.

Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. And that's why we've developed a whole range of accessories to enhance your A5 Coupé, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. They're all available exclusively from Audi.

To find out more, just visit **audi.co.uk/accessories** or contact your local Audi Centre.

Warranty

All of the accessories available for the A5 Coupé are covered by a three-year warranty* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.*

*Excluding Road Angel products. Audi Accessories warranty terms and conditions can be found at audi.co.uk

Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from **audi.co.uk/merchandise**

The Audi Difference

The experts in Vorsprung durch Technik

Our Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle.

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you enhance the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

We offer two different schedules: the fixed Inspection Service and the Flexible Service schedule. The conventional fixed Inspection Service schedule has fixed intervals for the Oil-change Service and Inspection Service, which are determined by time and distance.

With the Flexible Service schedule, the Inspection Service intervals are also fixed but the Oil-change Service intervals are variable. Sensors take account of driving style and conditions to determine when the Oil-change Service is required and the driver is informed via the on-board service interval display.

The choice of Service Schedule will depend on journey type and mileage as well as individual driving style and conditions. The table to the right can be used for guidance but your Audi Centre will help you to determine the most suitable Service schedule for you based on your individual circumstances and preferences.

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum Mainly city/town centre driving. Short journeys.
	Service Intervals:
Oil-change Service	Fixed to every 9,000† miles/1 year
Inspection Service	Fixed to every 19,000† miles/2 years

Flexible Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum Motorway and main road driving. Mainly longer distance journeys. Constant speeds.
	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000† miles/2 years
Inspection Service	Fixed to every 19,000† miles/2 years

When a vehicle is frequently used in the following conditions, we recommend a Fixed Inspection Service Schedule, regardless of mileage:

Uneconomical driving styles, e.g. heavy acceleration and braking, constant use of high revs

High engine-loading conditions, e.g. frequent towing and hill climbs

†As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.**

No hidden costs

We believe strongly in transparency when it comes to our prices. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

All part of the service

Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK, provided by Automobile Association Insurance Services Limited. Also included is roadside assistance throughout Europe, managed by Automobile Association Insurance Services Limited.

For further information and terms and conditions please visit audi.co.uk

†Electronically limited.

*Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigrouprating for details.

[1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

[2]Fuel consumption and CO_2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.dft.gov.uk/vca

[3]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[4]The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

†Electronically limited.

*Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigrouprating for details.

[1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

[2]Fuel consumption and CO_2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.dft.gov.uk/vca

[3]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[4]The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

[5]The addition of Adblue® technology ensures compliance with EU6 emission standards.

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

S5 Coupé quattro technical data

Pricing and Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we want to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20%, but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
Total	£590.00

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call 01908 548 356.

Audi Finance

Audi Finance specialises in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there is a range of funding options to choose from.

Below is the full range of finance products, which comprises:

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter which Audi model you choose, your local Audi Centre can provide you with a personalised quote designed to fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

We want you to start enjoying your new car from day one and thanks to Audi Insurance complimentary 7-day cover, you can. Call free on 0800 316 7893 (lines are open Monday to Friday 8am–9pm, and Saturday 9am–5pm), provide a few details and a cover note will be sent to your Audi Centre. They will then tax your car and you can drive it away.

Audi Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230. Audi Insurance is sold, underwritten and administered by Allianz Insurance plc registered in England number 84638. Registered office 57 Ladymead, Guildford, Surrey GU1 1DB. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are authorised and regulated by the Financial Conduct Authority. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are not part of the same corporate group.

Additional information

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£110.00
E – 131 to 140g/km	£130.00	£130.00
F – 141 to 150g/km	£145.00	£145.00
G – 151 to 165g/km	£180.00	£180.00
H – 166 to 175g/km	£290.00	£205.00
I – 176 to 185g/km	£345.00	£225.00
J – 186 to 200g/km	£485.00	£265.00
K – 201 to 225g/km	£635.00	£285.00
L – 226 to 255g/km	£860.00	£485.00
M – over 255g/km	£1,090.00	£500.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate.
